

Leonid Milerman

Graphic Designer | Art Director | Freelancer

Imberde@gmail.com | +972-526534265 | Tel Aviv, Israel

Professional Profile

Throughout my career, I have collaborated with leading clients (Tnuva, Caroline, Mey Eden, Wella, O12, Partner, Super Pharm, HOT, Strauss etc.) in the Israeli and international markets. My expertise includes creative concept development, scriptwriting, digital and print campaigns, UX/UI design, branding.

I approach my work with seriousness and responsibility, always striving to deliver the best possible results. I am a team player, regularly contributing unique ideas and solutions to every project.

Work Experience

Freelance Graphic Designer and Art Director (Exactive, Zarmon, Egoeast)

Perform all tasks in the field of graphic design and 360° advertising: Develop creative and visual concepts for digital and print campaigns. Designing websites and landing pages, creating marketing videos, and delivering finalized materials.

*Increased Instagram audience reach by 45% through a targeted social media campaign featuring original visual content in Doctomed.

*Developed a new corporate identity that resulted in brand awareness on and attracted more customers.

Studio Manager and Senior Art Director (LS Law Firm)

Established an in-house advertising studio for internal and external branding. Created brand identities, digital materials, videos, and print designs. Led UX/UI design for websites and landing pages to enhance lead generation.

*Optimized landing pages design, leading to a 35% increase in leads and subsequent sales growth LS.

Senior Art Director and Studio Manager (Tel Aviv-Moscow, Megzarim, Tendo (Maxi), Channel 9)

Led creative teams in developing comprehensive branding solutions for companies. Produced concepts for advertising campaigns in print, online media, and TV commercials. Designed promotional materials, presentations, packages, and corporate identities.

*Developed winning presentation materials for Tnuva, which played a crucial role in securing a major contract with a new partner.

*Developed and implemented a new corporate identity, significantly enhancing brand recognition and attracting a larger customer base in Tendo.
